DESCRIPTION

PDSS AND SNMPTN OF 2021

SCHOOL AND STUDENT DATABASE (PDSS)

PDSS is a database that contains a track record of school performance and grades for students who are eligible to register.

PDSS accommodates the 2006 National Curriculum KTSP and the 2013 Curriculum (Package System and Credits). Schools that do not use the national curriculum are not allowed to register for the PDSS

PDSS accommodates curriculum differences between odd and even semesters for the same academic year and level.

PDSS filling is carried out by the school, and the correctness of the data filled in is the responsibility of the Principal.
